For Immediate Release:

Re: Amity Salt Creek Bridge Replacement

As of 11:00 a.m. on Thursday November 2, 2023, the Salt Creek Bridge, directly west of Amity, on Hwy 153 is officially reopened to through traffic and the public.

Along with this highly anticipated announcement, the City of Amity would like to share their heartfelt thanks to the Oregon Department of Transportation for their \$16.2m investment into our local transportation system and for their prioritization of the safety of individuals who depend on the Salt Creek Bridge for reliable travels to and from our city.

We would also like to thank our Yamhill County Commissioners who, through an infrastructure grant of \$600,000 in ARPA funds, made Amity's water transmission line relocation possible without significant additional cost to our water customers.

Lastly, we would like to thank our community members for their patience throughout the duration of this project.

Sincerely,

Mayor Rachel King
City of Amity
